| Quantity:      | 500mg            | 510mg            |                                                                                     |
| Purity:        | >98%             | 99.49%           |                                                                                     |

UPLC

MS

**Aleksey Yevtodiyenko PhD**  
Research and Formulation Chemist

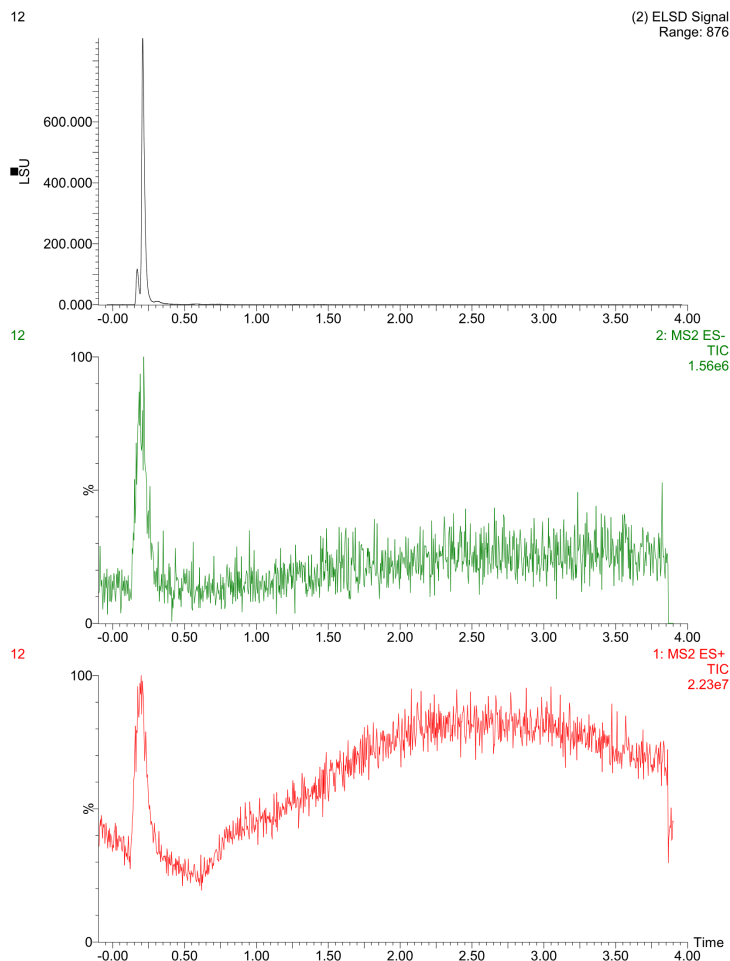

This purity analysis was conducted using UPLC/MS under standard laboratory conditions, following validated analytical protocols to ensure accurate and reliable results. This analysis is intended for informational and research applications.
